

Attendance Management Plan

Kōwhai Specialist School has procedures to record and monitor attendance, and to identify and follow up concerns. We recognise the importance of regular attendance to support student welfare and help students achieve their personal and educational potential. This aligns with our school vision.

Pride in uniqueness, strength in community, excellence in education

Regular school attendance is vital for the success and wellbeing of our tamariki. Attending school every day supports our tamariki to build strong foundations for their learning and social development. Regular attendance also promotes achievement success as tamariki are able to consistently build on their learning.

Our government has set a national target of 80% of students attending school at least 90% of the time. This means that tamariki should be absent for **no more than one day a fortnight** to ensure that they can have continued success at school.

As required by the Education and Training Act 2020 (s35), all students between six and sixteen years old must be enrolled at school. Once enrolled, it is compulsory to attend school regularly, unless a specific exemption has been approved by the school and Ministry of Education. The board takes reasonable steps to ensure all students enrolled at Kōwhai Specialist School attend when it is open for instruction (Education and Training Act 2020 s36).

What would success look like?

Success would look like an increase to Regular/Good Attendance, whereby more of our tamariki are attending regularly. The category where the most positive shift could be made is with the Worrying/Irregular Attendance - reducing this category would have a positive impact on Regular/Good Attendance. While we will also focus on the other two categories, a greater shift can be made focusing on these tamariki and whānau with Worrying/Irregular Attendance.

School Responsibilities

Kōwhai Specialist School has procedures to record and monitor attendance, and to identify and follow up concerns. We share attendance expectations with tamariki and whānau and staff are responsible for reminding our community of these expectations.

- Kaiako will take the roll before 9am and again in the afternoon before 1pm.
- Unexplained absences will be followed up on the first day of the absence with a phone call or text.
- Reasons given for absence will be recorded in HERO
- Attendance Codes will be taken from the [Ministry of Education decision tree](#)
- Unexplained absences will be recorded as Truant.
- Relievers will be supported by Team Leaders or our school office to add attendance information to HERO
- The Principal will report termly attendance trends to the School Board

Kōwhai Specialist School will also

- Include attendance information in enrolment packs for new whānau
- Remind current whānau of the importance of regular attendance and to track their child's attendance on their HERO App
- Add our Stepped Attendance Plan (in this document) to our website
- Engage students in learning that is relevant and presented in ways that engage students

Whānau Responsibilities

Whānau have legal obligations to ensure their tamariki attend school (Education and Training Act s24). Whānau are expected to:

- Notify the school as soon as possible if their child is going to be late or absent (preferably via HERO)
- Arrange appointments and trips outside of school hours or during the school holidays, where possible
- Work with the school to manage attendance concerns
- Ensure school has your current contact details

Further supporting information can be found online in our School Docs Attendance Procedures

Strategic goal:

Promoting a school culture that values our students' uniqueness, enhancing their social, spiritual, emotional, and physical wellbeing through strong connections between whānau and school.

Target:

- Student attendance is closely monitored as per AMP
